

# 2nd Grade

## IN THE KNOW...PARENT INFORMATION

Thank you for coming to parent teacher conferences. I enjoyed talking with all of you about your awesome kids! I feel blessed to be a part of their learning and growth in 2nd grade.

Attached is a letter explaining how to get onto our online math program, MobyMax. This is something your child can do for extra practice at home. It is not mandatory that you do this a certain amount of time but it could be something you might want to incorporate into your homework routine 1x a week for added math practice.

Rockets Foundation Trash Bag Sale begins this week thru October 27. A flyer was sent home earlier this week. Payment is due with the orders. Thanks for your support.

Letters went home about **Operation Shoebox**. Ms. Zwilling is leading this project that is near and dear to her heart. Boxes need to be back at school no later than Oct. 23rd. If you need shoeboxes please let me know. I am happy to send a box home with your child.

**Reading:** Understanding Characters Wants and Problems to better understand the stories we read

**Writing:** Opinion Writing.

**Math:** Continue Topic 4 working with equal groups

**Social Studies:** Geography Unit

Spelling Words for Week 9

Consonant Digraphs

that wish patch when what

math them shape what itch
