Mrs. Garcia's Classroom News

NOTES

It has been a busy week with Valentine's Day, Mardi Gras and Ash Wednesday all this week. I am having a blast teaching this group of 3rd graders. They are enthusiastic, good listeners and eager to learn. It makes my job fun!

Please make sure that if your child is struggling with our multiplication timed test, that they are practicing at home. Flash Cards are great or I can send home practice sheets to work on. I don't have students write this in their planner every night but it would be a good idea to practice often if they aren't already. I have lots of flash cards if any student needs a set at home.
