March 1st 5:30 – 6:30

New Family Information night for
parents interested in sending their
child to Preschool or Kindergarten.

Please share this information with
anyone potentially interested. ☺

*Lucious thanks to Will for the
chocolate long johns
in conjunction with // week!*

Thank you to:

Ms. Jacque Cullison, Natural
Resource Coordinator for Beall's
Woods State Park. Ms.Cullison gave
an adorable & educational lesson on
animals native to our area & how they
survive the winter: migration,
hibernation or adaptation.

Will's mom & her delightful Valentine
party committee! Our Kinders
observed 2 valentine related
science experiments, made 2 crafts,
enjoyed "love potion" and devoured
frosted heart shaped cookies.

It was a LOVE-ly party. ☺
