## What We Are Learning!

We had an awesome week celebrating Valentine's Day. We have been talking about friendship, being kind, sharing, and giving compliments.

In HWT we used the Roll-A-Dough, Stamp & See Screen, chalk boards, paint doobers, and iPads to practice the letter R. We practiced our name by making a heart caterpillar and we made an adorable hedgehog to hang in the hall. During Math we rolled dice, counted, and painted shapes.

We made our 4<sup>th</sup> grade buddies a valentine card and got to go upstairs to their classroom and deliver them.

During Religion we talked about the Season of Lent and how Jesus tells God's good news.
